Ownership

Owning BTR tokens does not in any way grant their holder any ownership or right to property in BTR tokens or on Boosteroid or BLOCKCHAIN DATA GROUP or that of any other related company. While the community's opinions and feedback may be taken into account, BTR tokens do not give any right to participate in decision making or any direction of business development related to Boosteroid.

Absence of guarantees of income or profit

Though we expect this, there is no guarantee that BTR tokens will grow in value. If it happens, there are no guarantees that the rate of BTR will not decrease, including significantly, due to some unforeseen events, or events over which the developers have no control, or because of force majeure circumstances.

Risks associated with Ethereum

Some BTR tokens can be issued on the Ethereum blockchain. Therefore, any failure or malfunctioning of the Ethereum protocol may lead to the trading network of BTR tokens working unexpectedly.

Regulatory uncertainty

Blockchain technologies are subject to supervision and control by various regulatory bodies around the world. BTR tokens may fall under one or more requests or actions on their part, including but not limited to restrictions imposed on the use or possession of tokens such as BTR tokens which may slow or limit the functionality or repurchase of BTR tokens in the future.

By sending cryptocurrency to purchase BTR tokens from us, you represent and warrant that:

1. Your purchase of BTR tokens complies with applicable laws and regulations in your jurisdiction, including, but not limited to

- (i) legal capacity and any other threshold requirements in your jurisdiction for the purchase of the BTR tokens and entering into contracts with BLOCKCHAIN DATA GROUP,

- (ii) any foreign exchange or regulatory restrictions applicable to such purchase, and

(iii) any governmental or other consents that may need to be obtained;

(b) You will comply with any applicable tax obligations in your jurisdiction arising from your purchase of BTR tokens; and

(c) You are not a citizen or resident of a geographic area in which acceptance of delivery of BTR tokens is prohibited by applicable law, decree, regulation, treaty, or administrative act.

The regulatory status of the BTR tokens and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory agencies may apply existing regulation with respect to such technology and its applications, including BTR tokens. It is likewise difficult to predict how or whether legislatures or regulatory agencies may implement changes to law and regulation affecting distributed ledger technology and its applications, including BTR tokens. Regulatory actions could negatively impact BTR tokens in various ways, including, for purposes of illustration only, through a determination that the purchase, sale and delivery of BTR tokens constitutes unlawful activity or that BTR tokens are a regulated instrument that require registration or licensing of those instruments or some or all of the parties involved in the purchase, sale and delivery thereof. BLOCKHAIN DATA GROUP may cease operations in a jurisdiction in the event that regulatory actions, or changes to law or regulation, make it illegal to operate in such jurisdiction, or commercially undesirable to obtain the necessary regulatory approval(s) to operate in such jurisdiction.

BTR tokens are not an investment

BTR tokens are not official or legally binding investments of any kind. BTR tokens are designed to be used inside Boosteroid to pay for our services or to be traded on cryptocurrency exchanges. In case of unforeseen circumstances, the objectives stated in this document may be changed. Despite the fact that we intend to reach all goals described in this document, all persons and parties involved in the purchase of BTR tokens do so at their own risk.

Risks of using new technologies

BTR tokens are a new and relatively untested technology. In addition to the risks mentioned in this document, there are certain additional risks that the team of Boosteroid cannot foresee. These risks may manifest themselves in other forms of risk than those specified herein.

Integration

This Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Contract. All previous agreements, discussions, presentations, warranties, and conditions are combined in this document. There are no warranties, representations, conditions, or agreements, express or implied, between the parties, except those explicitly stated in this Agreement. This Agreement may be changed or amended only by a written document duly executed by the parties.

Miscellaneous

1. Reservation of Rights. We reserve all rights not expressly granted by this Agreement.
2. Dispute resolution. This Agreement shall be governed by and construed in accordance with the laws of England and Wales. In the event of a dispute, the courts of The United Kingdom of Great Britain and Northern Ireland shall have absolute and exclusive jurisdiction.
3. Material Terms. You acknowledge and agree that the warranty disclaimers and liability and remedy limitations in this Agreement are material terms of this Agreement and that they have been taken into account in the decision by us to provide the Site.
4. If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal, or otherwise unenforceable, that term or provision will be deemed modified to the extent necessary to render such term or provision enforceable, and the terms and conditions hereunder will be construed and enforced accordingly, preserving to the fullest permissible extent the intent of this Agreement.
5. Assignment; Waiver. You may not transfer, assign or delegate any of your rights, obligations or privileges hereunder; we may do so at any time. Any assignment of the foregoing other than as provided for in this section shall be null and void. No waiver of any provision or any right granted hereunder will be effective unless set forth in a written instrument signed by the waiving party. No waiver by either party of any breach or default hereunder shall be deemed a waiver of any subsequent breach or default.
6. Complete Agreement. This Agreement, including any references mentioned and incorporated herein, together with such changes as may be subsequently made by us, constitutes the complete agreement between you and us, our subsidiaries, affiliated companies, licensors, and those third parties assisting in the operation of the Site with respect to the subject matter of this Agreement and supersedes all prior agreements and understandings, written or oral. This Agreement may not be amended by the user. This Agreement

supersedes any previous quotations, correspondence, or other communications, written or oral, between you and us.
